

# Christie Lane Industries May 13, 2016 Update

LOOK OUT FOR CLI SURVEY-- COMING SOON!

And now-- for John's usual excuses & apologies:

by John Schwartz

We've had some requests that CLI offer some new services and change up some of our old services. We are inclined to say "yes" to all of that. The trick will be to balance what one person wants with what another person needs. Baby steps. We'll start with a survey later this month. It will be short. We want some very basic questions answered. Would you like your CLI day to start earlier or later? Would you like your CLI day to go later in the afternoon? Stuff like that. The future is more customized services. This is a good thing.

Please keep the questions and suggestions coming!

*Check Out [www.christielane.com](http://www.christielane.com) for old newsletters, the CLI calendar, and new pictures!*

**Christie Lane (Both CLI & HCBDD) Open Houses on Monday, May 23rd, 5pm - 7 pm! Put it on your calendar!**

## **- SHOP TALK - With Jen Swicker**

Just a quick notice to people on the Borger's work crew-- this mobile work crew is temporarily suspended until Monday, June 6th, because we are waiting on parts. John and I met with Borgers this week and they are very happy with our productivity. Part of this shutdown is that we worked so fast.

When we go back to Borgers in June, we'll be taking a bigger crew and working just 3 hours each day (instead of 6). People have been telling us that they don't want to work that long. I'm still collecting names to put on this work crew. Let me know if you want to make \$24.30 in the morning and still have time to have fun (or come back and work a little more in the workshop) in the afternoon.

Since I have a little more room on my section of this newsletter, I'd like to take this chance to really tell everyone how grateful I am to be able to work with Holly & John. Honestly, they are amazing-- their fashion sense, their sense of humor, their sheer brilliance. It's intimidating really.

---

## Next "Change Happens Shuffle" will be Thursday, May 26th, 1:30 - 2:30. Have your dancing shoes ready!

---

### Getting Out and About by Holly Binkley

Our Out and About groups with Deb, Joy, Courtney and Pat have been utilizing their recent time to give back to some groups in our local community. This week several of the crews joined forces to donate their time and talents to give a fresh coat of paint to the picnic tables at the Greenwich Reservoir. This will be an ongoing project--once a week for the next ten weeks depending on the weather. The group had a great time painting and did a fabulous job--keep up the good work guys!

---

Quick 16 West Main Street Update-- Walls & ceilings are painted, bathroom floors are being tiled today & fixtures should be in next week.

The website has the latest pictures & the building will be on the 5/23 tour route with light snacks for anyone that wants to take a quick look. The opening date has been pushed back into June, but we'll be there for the first Imagine Norwalk event. It's coming together!
