And now-- for John's usual excuses & apologies:

First-- A huge thank you for everyone who made my 50th birthday special. I appreciated all the well-wishes, the gargantuan cakes, my 50th best qualities (way better than 50 suckers!)-- and of course my new "old man transportation" walker. I blame Wilcox & Jamison.

Second-- thanks for everyone's patience as we switched up routes a little bit last week. From where I am it seemed to go pretty smoothly. Let me know if the tweaks caused any problems for anyone. For the most part, it should have made rides to work shorter.

we have a support van trailing behind if your personal best on 4/8 is a 3.5K-- no excuses. We hope to see you there! Let us know if you need a ride or support to participate.

And Finally-- Congratulations to Brenda who was a big winner at Serving Our Seniors' Juke Box Bingo event at 16 West last week!
