

Christie Lane Industries April 15th, 2016 Update

.....
And now-- for John's usual excuses & apologies:

by John Schwartz

Thanks for everyone's patience this week. The shop has been topsy-turvy as the seniors have taken over the entire office suite.

Please plan to attend the Christie Lane Open House on Monday, May 23rd. We'll have shuttle busses running to/from CLI's new studio space at 16 West Main Street. The Huron County Board of DD will have staff present from all of their programs-- Service and Support Administration, Christie Lane School, Early Intervention & Help Me Grow. There will be lots of food!

There seems to be a bit of confusion with everything that is going on. That isn't surprising. There is just so much going on! I want to encourage anyone to contact me, Jen or Holly with your questions (or concerns). Change is hard. However, I really believe that we don't have any choice but to make these changes so that Christie Lane Industries (and other adult programs) is around for the next 40 years.

Here are Jen, Holly & my contact information:

Jen Swicker, jen@christielane.com, 419-706-6221

Holly Binkley, holly@christielane.com, 419-541-6304

John Schwartz, john@christielane.com, 419-706-5137

.....

**Remember--
Route Changes
This Monday, April 18th.**

Christie Lane Industries'

Out of the Box 5K

Tomorrow--

Saturday, April 16th.

Starting gun-- 9:00AM!

16 West Main Naming Contest

CLI is collecting ideas for what to call the new studio space at 16 West Main Street, so that we can stop calling it the "crider building". Turn your suggestion to the new CLI office by Monday, May 2nd. Make sure that your name is on it. The CLI Board will be choosing the winning name at their May meeting. Winner gets a free t-shirt with featuring the new name & full credit in one of these newsletters!
